

Assignment-7

Due : 15th March, 2023

In this assignment, you have to check whether the following grammar shows conflicts. Identify the states which are in conflict and explain the reason for conflicts using Bison.

1. $S \rightarrow A|a, A \rightarrow a$
2. $E \rightarrow E + E|E * E|id$
3. $S \rightarrow SA|A, A \rightarrow a$
